

## JUST A FEW REASONS WHY YOU SHOULD BUY THE CCTV “DOMEKLEENER” ©

**“ Falls from height were the most common cause of fatalities, accounting for almost a third of fatal injuries to workers (31%). (RIDDOR) a total of 5,274 Major Injuries from Falls ” - Health and Safety Executive 2013.**

- ✓ Cleans Camera Domes and traditional Box cameras up to approx' 10 metres high and in difficult locations (such as public areas) without any fuss or inconvenience to the customer - or danger to others !
- ✓ Health & Safety laws are very strict especially when working at height. When using ladders at height normally two persons are required and Mobile or static access platforms are expensive requiring training and harnesses. Using the DomeKleener means none of these expensive and lengthy procedures are Needed - making huge savings !
- ✓ CCTV Sites where Video Management Software (VMS) and Video Analytics (Traffic Monitoring, Asset Protection, Perimeter Intrusion, etc.) are installed Dirty Cameras cause system operational issues so cleaning the cameras regularly is extremely important. The DomeKleener is the answer !
- ✓ One person can learn how to use the DomeKleener in just a matter of minutes (no special training needed) and NO POWER required - just bring out the DomeKleener and use !
- ✓ The DomeKleener cleaning head is manufactured in the UK from lightweight aluminium and stainless steel to a high standard. The pole is made from lightweight carbon fibre so it's extremely durable and cannot rust. Having the DomeKleener in your maintenance kit means you are a forward thinking professional and impressive to the client.
- ✓ Often when replaying CCTV incidents camera images can be disappointing a common cause is dirt and grime. So it's good practice cleaning cameras on a regular basis (more than the standard twice a year). The DomeKleener solves this problem without cost, fuss or mess ! ...Just a **FEW** comments from satisfied users:-
